

A top-down view of various baking ingredients on a light-colored wooden surface. There is a large bowl of white flour, a smaller bowl of white powder, a white measuring cup, a small white bowl, and several small white packets of ingredients. The text "Bakers Delight" is written in a large, elegant, dark red script font, with a wheat stalk graphic to the right. Below it, the tagline "We're for real." is written in a smaller, dark red serif font.

Bakers Delight

We're for real.

- Measure body in underwear.
- A FIRM measurement is required - i.e. to the point where the tape measure cannot move.
- Please note this is a BODY measurement, not the finished garment measurement.
- Your waist is at your belly button.

- Your uniform items have been designed to last. Quality fabrics and manufacturing techniques, combined with a little time and care will extend their life and keep them looking fresh.
- All garments have specific care instructions sewn into the garments, please follow these instructions.
- Do not use bleach or washing powders containing bleaching agents.
- Always separate whites from coloured garments. Dark colours should be washed separately once or twice to wash away any excess colour residue which may be on the surface of the fabric.
- Remove any stains using Preen or any good stain remover rather than soaking the garment.
- Do not tumble dry it will shorten the life of your garment and can cause shrinkage and discolouration.
- Do not dry garments in direct sunlight. For best results flat dry in the shade. This will extend the garment life and avoid fading
